

## Dewey Opens Presidential Campaign September 20

Will Begin Bid For Election In Des Moines, Iowa

by the Associated Press  
Gov. Thomas E. Dewey will touch off his campaign for the presidency in Iowa Sept. 20, just two days and a stone's throw away from the launching of a western tour by President Truman.

The New York governor will make his first major speech since accepting the Republican nomination in Drake Stadium, Des Moines, on an unannounced subject.

Mr. Truman will speak at Dexter, Iowa, near Des Moines, on Sept. 18.

Herbert Brownell, Jr., Dewey's campaign manager, did not disclose any further plans when he announced the Des Moines speech yesterday (Wednesday), but indications were the GOP nominee would continue on to the West coast.

**Warren Tours New England**

It appeared that Dewey would then work his way back east in easy stages, making a number of major addresses enroute to Albany.

While Governor Dewey made plans for his invasion of the plains states, his running mate, Gov. Earl Warren of California, prepared for a tour of New England.

The Massachusetts state committee said the GOP vice-presidential nominee will campaign late this month in Massachusetts, New Hampshire and Connecticut.

While Brownell did not announce the subject of Dewey's Des Moines speech, the principal issues were already well outlined.

Dewey approved in advance the official GOP reply to President Truman's Detroit Labor Day address delivered by Harold E. Stassen, former governor of Minnesota.

**Stassen Keynotes Campaign**  
And he was expected to elaborate on each of four principal issues raised by Stassen then: The Taft-Hartley Labor Act, high prices, communism and foreign policy.

Stassen apparently keynoted the campaign when he called Mr. Truman "a complaining candidate" who "attempts to arouse in America an unreasoning, nameless fear of future depression, unemployment, and chaos if he is not returned to office."

Neither of the rival candidates' tours has been blundered fully, but Senator Elbert Thomas (D-Utah) said he anticipates that Mr. Truman will visit Utah late in the week of Sept. 20.

Thomas said after a White House visit yesterday the President will speak at Salt Lake City and at one other site in the state. He said he assumes the possibility of using Salt Lake City's famed Mormon tabernacle "will not be overlooked."

**Wallace On Ballot In 15**  
Mr. Truman is expected to hammer away at the theme he used most frequently in a pre-convention western trip—that the Republican party is one of reaction. At Detroit, he defined a reactionary as "a man with a calculating machine where his heart ought to be."

Henry A. Wallace's Progressive Party announced in New York, meanwhile, that the former vice president is on the ballot in 15 states with a combined electoral vote of 241. That would not be enough to win the presidency even if Wallace should carry all of them.

The party still has applications for a place on the ballot pending in 11 additional states and is awaiting court decisions in several more.

## Psychologists Seek Solution To Racial Problems

Boston, Sept. 8.—(P)—The first psychological test designed to help negroes to get along better with whites was reported to the American Psychological Association today.

The specific object is to help those negroes who go to work with whites in situations where race prejudice exists, or where their relations with whites call for diplomacy.

The test was reported by Charles F. Thompson, of Tulane University. It arose from his experience with negro veterans in New Orleans, when he tried to use the regular psychological tests given to white people to learn such things as how a man or woman will get along with fellow workers, and how to make allies.

The white psychological test revealed that negroes are apt to think of whites as aliens. It is the same thing as the old saying, "all china-men look alike." Whites have been found by psychologists who think nearly all negroes look alike.

The white test is a series of pictures, originated by Dr. Henry A. Murray, of Harvard. A person looks at them and tells the story of what he thinks the pictures mean, and psychologists are able to discern in this story an outline of the testee's abilities to get along with other people.

## Marshall States Trouble In Germany Is Red Stall

Washington, Sept. 8.—(P)—Secretary of State Marshall today announced a policy of firm resistance to communist disorders in Berlin and obliquely pointed a finger at Soviet agents.

Marshall told a news conference that the disorders have been touched off by communists inside and outside of Germany.

The immediate objective, he said, is to disrupt the critical "four power" talks in Berlin which are currently seeking an end to interzone strife in the German capital.

Emphasizing that such tactics will be firmly resisted, Marshall withheld details of any counter measures. He declined to say whether military steps would be involved in efforts to quell the outbreaks.

Marshall's statement to newsmen came immediately after he had conferred with military chiefs at the Pentagon. It was understood he had received an up-to-the-minute report on the strength of American armed forces in and around the Soviet-blockaded capital.

Questioned at his news conference, Marshall said the outbreaks in Berlin, including kidnappings and mass attacks on the headquarters of the civilian city government, followed a familiar communist pattern.

The procedure, he said, is pretty

## Stevenson Says He Won't Accept Money From Crooks

Metropolis, Ill., Sept. 8.—(P)—Adlai E. Stevenson, Democratic nominee for governor, said tonight he will "not take a cent from the underworld lords who have financed Governor Green's campaigns."

In a speech prepared for delivery at Metropolis, Stevenson said: "My campaign won't be financed by gamblers and gangsters. I don't want a single billboard or a single poster that's been paid for with dirty money."

"Pete Green has petered out and even the big shakedown and payoff money won't save him. We will win with the contributions and support of honest, decent people."

Stevenson said "we hear that the gambling syndicate poured \$200,000 into Green's open arms" four years ago, when the Republican governor won reelection by 72,000 votes.

## Slavs Assert U.S. Is Imperialistic; Barkley Retorts

Rome, Sept. 8.—(P)—Senator Alben W. Barkley (D-Ky.) answered sharply today Slav accusations that the United States is imperialistic and a "Shylock."

Bulgarian, Romanian, Czechoslovak and Hungarian delegates to the 37th interparliamentary union conference made the charges.

Barkley, Democratic candidate for vice president and chief of the American delegation, retorted quickly.

"We have been accustomed in the last two or three years in the United Nations and other assemblies to hearing our country denounced bitterly and viciously because of its position in foreign affairs and the Marshall plan," Barkley said.

"Notwithstanding assertions made here, which I regret should have been said 'putz putz u zuhnen u u oputz' United States had not carried out its commitments at Yalta and Potsdam, the agreements have been meticulously carried out. If there have been violations, it is not by the government or the people of the United States."

This statement drew vigorous applause from all sectors of the conference except the delegates from countries in the Soviet orbit.

## Mitchum, Three Others Make Brief Court Appearance

Los Angeles, Sept. 8.—(P)—Film Actor Robert Mitchum and three companions who were arrested in a narcotics squad raid last Wednesday made a brief court appearance today.

The four, indicted yesterday on charges of possessing marijuana, appeared in Superior Court for a writ of habeas corpus hearing. However, it was a mere formality as their demand to have charges presented had already been met by the county grand jury indictment.

The defendants, Mitchum, Starlet Lila Leeds, dancer Vicki Evans and real estate man Robin Ford, are at liberty on bond of \$1,000 each.

At the hearing today superior Judge Thomas L. Ambrose dissolved the writs. The four are to be arraigned on the indictments Sept. 15. Three Sisters Dress company.

## Third Party Still Seeking Place On Illinois Ballot

Chicago, Sept. 8.—(P)—Leaders of the Progressive party said today they will ask the Illinois Supreme Court Monday to order that the new party's state and national nominees be placed on the state ballot in the Nov. 2 election.

They said their Mandamus suit will contend that a state law requirement—which the state electoral board held they failed to comply with—is unreasonable and therefore unconstitutional. A quick decision will be sought.

The electoral board, composed of two supreme court justices and the state auditor, last week decided that the Wallace-Taylor state and national nominees are ineligible for the ballot in Illinois.

The board held that the new party's nominating petitions failed to meet a 1935 amendment's requirement that they include at least 200 signatures from each of 50 or more of the state's 102 counties.

The Progressives claimed the petitions, bearing more than 75,000 names, included 200 or more from each of 62 counties. But the board ruled that only 42 counties were valid, and that only 200 or more valid signatures.

William Miller, state director of the Progressive party, said today that "by the opposition's own figures, we lacked only a total of 83 signatures to get on the ballot." His statement continued:

## Brooks Defends Vote For Taft-Hartley Labor Law

Chicago, Sp. 8.—(P)—Senator C. Wayland Brooks (R-Ill.) today defended his vote for the Taft-Hartley Labor Law. He said that he is willing to consider proposed changes and that some labor leaders want modification—not complete repeal of the law.

The Republican nominee, seeking reelection against a Democratic opponent who wants repeal of the law, outlined his stand in extemporaneous remarks at a luncheon of the Abraham Lincoln National Republican club. He said:

"Since President Truman has chosen the Taft-Hartley law as the thing he wants to shout about, we should remember that in May, 1945, when the railroad strike was on, it was he who called for drafting railroad strikers into the army. If labor ever came close to losing its rights, it was then."

"Senator Barkley and Senator Lucas supported the President but Senator Taft opposed such a draft, and I shall never vote to take away a man's right to strike and use the uniform of the United States as an emblem of punishment for not doing what one man wants."

## 4-Power Parley On Italian Colonies Virtually Assured

Washington, Sept. 8.—(P)—A meeting of the "Big Four" powers in Paris to discuss the fate of Italy's war-torn colonies—was virtually assured today.

But the United States, in a stiff note by Secretary of State Marshall, served notice on Russia that it will be up to Moscow to offer some new means of agreement or the problem will be handed over to the United Nations.

The Moscow radio said late today Russia proposes that the foreign ministers of the United States, Russia, Britain and France should meet in Paris Friday to discuss the matter.

But State Department officials said they doubt whether Marshall or any of his top aides in Washington would be able to attend a session beginning then. As an alternative, they said a top U.S. diplomat abroad, perhaps Ambassador Lewis Douglas in London, might be delegated to represent this country.

Britain has already accepted the Soviet bid to a four-nation parley—which would be the first in nine months—and France is expected to follow in line.

## Railroads Halt Freight Shipments To West Coast

Washington, Sept. 8.—(P)—The railroads today halted freight shipments to Atlantic and Gulf ports destined for movement by water to West Coast ports.

The Association of American Railroads said the action was taken because the maritime strike on the Pacific coast is affecting operations of intercoastal steamships.

The order is intended to prevent the tying up of freight cars, the AAR said. Exceptions will be made, the association said, when intercoastal steamships are able to give assurance that the cars will be unloaded promptly and ships for which the freight is intended will sail from East coast and Gulf ports on scheduled dates.

Chicago, Sept. 8.—(P)—A dress retailer reported to police today a new employee had disappeared after being sent to a bank to deposit \$9,466.40.

Detective Daniel Kenny said he suspected the woman was the same one he had arrested last year for passing five worthless checks totaling \$1,000 at the same store, Jules.

"The absurdity of such a law is obvious. It is also unconstitutional because it discriminates against a sizeable portion of the electorate. "It is a fact that many candidates have carried the state while losing in nearly all counties."

Miller said that in the eight counties in dispute on the petitions before the board "the opposition claimed there were 184 signatures from Bond county, 192 from Clay, 193 from Logan, 197 from Pike, 186 from Christian, 190 from Livingston, 183 from McLean, and 192 from Morgan."

He told a reporter that the new party will request a decision before the court ends its current September term, on grounds that it is a question of great public importance. Ordinarily a decision would be delayed until the November term, after the Nov. 2 election.

## Auriol Offers Premiership Of France To Queuille

Paris, Sept. 8.—(P)—France fell into deeper political confusion than ever tonight, with no strong man in sight to form a cabinet.

Edouard Herriot, 76-year-old president of the national assembly, declined to undertake the job, and President Vincent Auriol asked little-known Henri Queuille to try to put a government together.

Few observers thought the 64-year-old Queuille, a radical socialist, had a chance. A doctor by profession, a pre-war senator and minister of public works and transport in the government that resigned last night, Queuille said he would tell Auriol tomorrow whether he would attempt the task.

Auriol turned to Queuille in desperation after Herriot, elder statesman of the radical socialists, had declined the task on the grounds of ill-health, and after the president had taken DeGaulle into consultation for the first time on formation of a cabinet.

## Federal Reserve Board Moves To Curb Inflation

Washington, Sept. 8.—(P)—The federal reserve board today raised the reserve requirement of its member banks in a new step aimed at restraining inflationary expansion of bank loans.

Banks were ordered to put aside an additional two percent of money deposited with them in checking accounts and one-and-a-half percent of their time deposits. The requirements will be effective Sept. 16 in some cases and Sept. 24 in others.

The effect will be to force banks to hand over to the federal reserve an estimated \$1,900,000,000 that otherwise could be used for making loans. Theoretically, that much in bank assets could serve as the basis for a potential \$2,000,000,000 increase in loan totals since it is figured banks can lend as much as \$6 on each \$1 they hold.

Federal reserve officials, however, expect banks for the most part to raise the extra reserves by selling their holdings of government bonds.

## St. Louis Man Implicated In U.S. Spy Probe

Washington, Sept. 8.—(P)—Congressional spy hunters summoned today a St. Louis scientist who has said he was innocently involved with some Russians while working on a wartime atomic energy job.

He is Dr. Martin Kamen, now an associate chemistry professor at Washington University. He said last week that he probably was one of two unnamed scientists whom House Un-American Affairs committee members had said they wanted to question.

Kamen was summoned to appear when the committee reopens hearings Sept. 15 on alleged Russian attempts to obtain secret atomic energy information in this country.

Another of the 22 persons subpoenaed for the new hearings was also named. He is Steve Nelson, new chairman of the Communist party's Western Pennsylvania branch.

Kamen, 35, was employed for a time during the war on the Manhattan project, which developed the atomic bomb.

## SIXTY RAILROAD MEN LEAVE JOBS IN PEORIA

Peoria, Ill., Sept. 8.—(P)—Sixty switchmen left their jobs on the Peoria and Pekin Union railroad tonight, and the road promptly clamped an embargo on freight movements.

E. F. Stock, general traffic manager for the short line road, said the walkout had tied up 900 other road employees. He said the switchmen are members of the Brotherhood of Railway Trainmen.

## U.S. Protests To Russia On Berlin Disorders

### French Order Release Of German Police

by Richard K. O'Malley  
Berlin, Thursday, Sept. 9.—(AP)—The Soviets rejected early today a French protest of the "double cross" kidnap of 19 western Berlin policemen.

The French protest, made by Maj. Gen. Roger Noiret, deputy French commander in Berlin, demanded the release of the 19 Germans. They were snatched at dawn yesterday by Russian machine gunners and eastern sector Berlin police while traveling under a Soviet safe conduct guarantee from the besieged city hall.

The Russian deputy commander, Lt. Gen. M. I. Dratvin, replied to Noiret in a letter published tonight by the Soviet News Bureau.

**Coincidence With U.S. Protest**  
The French protest coincided with an American protest to the Russians against communist disorders at the City Hall climax by the mass kidnapping. The American commandant, Col. Frank Howley, sent the protest to his opposite number, Maj. Gen. Alexander Kotikov.

Howley condemned the recent communist led demonstration and riots which Allied officials have described as part of a communist plot to force the elected, anti-communist city government out of power.

Howley said the "blame rests on the Russians."

**Ambushed By Soviet Police**  
The Soviet News Bureau quoted Dratvin as replying to Noiret that the incident was "not in the competence of the Soviet command for Berlin." Witnesses said the French trucks evacuating the 19 Germans and several western allies from City Hall were ambushed by Soviet-controlled German police backed by Russian troops.

Dratvin added that it was "a question for the Germans to solve through the city government or other appropriate administration offices."

Rejection of the protest coincided with an apparent Big Four deadlock over Soviet demands for veto power on currency control that stalled negotiations for settlement of the east-west conflict over blockaded Berlin.

## Roosevelt Heiress Weds Ex-Russian Army Officer

Northport, N. D., Sept. 8.—(P)—The 20-year-old granddaughter of President Theodore Roosevelt and a 49-year-old former Soviet army general were married today.

Suffolk county Surrogate Richard Hawkins performed the marriage of Edith Kermit Roosevelt to Alexander G. Barmine at his office here.

Hawkins said the couple made their appointment yesterday when they obtained a marriage license in New York City.

Following a simple double ring ceremony, the couple went to Barmine's home overlooking Long Island sound three miles east of Northport.

The bride is the daughter of Mr. and Mrs. Archibald B. Roosevelt of Cold Harbor, N. Y., and New York City. She is a student at New York University Medical school. Her father, only surviving son of the late president, is a New York bond dealer.

## Commies Call For 'Class War' Among Polish Peasants

Warsaw, Poland, Sept. 8.—(P)—The Communist party's call for a "class war" among Poland's 15,000,000 peasants appeared to be off to a flying start today.

Reports from rural districts around Warsaw and Lublin said small farmers led by Communists were ripping down fences dividing large individual farms. Other reports said Communist groups were smashing tractors owned by "rural capitalists."

Communist action committees were engaged in "educating" the peasants that their production must be sent to market through cooperatives at fixed prices on a common basis.

## AIRCRAFT OVERDUE ON FLIGHT TO FORMOSA

Manila, Thursday, Sept. 9.—(P)—A flight of 13th Air Force fighter planes—possibly as many as 16—was reported without confirmation to be overdue today on a hop from Clark Field to Formosa.

It was understood that the planes were being flown to the big island off China's coast for transfer to the Chinese Air Force.

## COMMUNISTS GUARD FUNERAL FOR BENES

Prague, Czechoslovakia, Sept. 8.—(P)—The communist government, jittery over fears of a Putsch, guarded every step of the state funeral for former President Eduard Benes today. Regular troops with bayonets, military police and armed civilian factory guards kept watch.

The factory guards poured out after emergency factory meetings at which they were told to take any measures to prevent the Benes funeral from being used to overthrow the government.

## Jewish Youth Trip Across Country Ends In Disaster

Benton Harbor, Mich., Sept. 8.—(P)—A cross-country truck trip undertaken by 12 members of a Jewish youth group ended in disaster early today before it had barely begun.

One young woman was killed and a youth died in Pawating hospital at Niles a few hours after the crash. Ten others were injured, one critically, when the truck piled up against a tree a half mile east of three oaks.

Roslyn Helene Leff, 23, of Detroit, was dead in the wreckage when police arrived. Her neck was broken.

Detroit's David Lewin, 18, suffered injuries and died after reaching a broken back and internal injuries at Niles. Gilda Partwite, 17, also of Detroit, was reported in critical condition at the hospital with a "severe" skull fracture.

State police said the driver, 17-year-old Murray Sherman of Pittsburgh, told of being forced onto the left shoulder of the highway by a passing truck and losing control.

## Gas Company Will Fight Attempt To Cut Rates

Kansas City, Mo., Sept. 8.—(P)—Panhandle Eastern Pipeline company, which sells natural gas to six states, including Illinois, plans to fight any attempt to cut its rates.

Panhandle President E. D. Bud-dress said today "we will resist efforts to cut our rates, which now are 40 to 50 per cent under coal and 50 to 60 per cent under fuel oil."

Budress' statement followed an announcement from the federal power commission yesterday that it would investigate Panhandle's rates "in the public interest."

The commission did not set a date for the inquiry but said the rates, charges, services or classifications of Panhandle "may be unjust, unreasonable, unduly discriminatory or preferential." The commission order was issued on the basis of an informal study made a year ago.

## Circus Ship Sinks In Caribbean; 44 Performers Drown

Miami, Fla., Sept. 8.—(P)—Forty-four persons, most of them circus performers, are missing in the Caribbean sea after their small ship—loaded with lions, tigers and other wild animals—overturned and sank in the early morning darkness of Sept. 1.

A message today from the Norwegian motor vessel, Caribe, reported it had picked up 12 of 56 persons believed aboard the foreign ship Euzkera, in a lifeboat 770 miles south of Miami. The 12 included three crewmen and nine passengers.

The 140-foot Euzkera of Honduran registry sank suddenly 130 miles off the Colombian coast, 200 miles from Panama and 700 miles from Miami. It was carrying the Razzore circus, from Mariel, Cuba, to Cartagena, Colombia. It left Cuba Aug. 28 and was due at Cartagena six days ago.

## Urge AFL Workers To Support Truman

Chicago, Sept. 8.—(P)—Officials of the AFL Distillery Workers' International union of America today urged 75,000 members to support President Truman in the November election.

Joseph Keenan, director of the political arm of the union, said the union should seek to defeat members of the 80th Congress who "failed to provide adequate housing and cost of living legislation."

Joseph O'Neill, union president, asked all delegates to return to their homes and "fight to defeat every congressman who voted for the Taft-Hartley Labor Law."

Restaurants need one parking space for every 50 square feet of patron space, according to a survey.

## Disapproves Red Double Cross Tactics

by Richard K. O'Malley  
Berlin, Sept. 8.—(AP)—The American commandant in Berlin protested to the Russians today against Communist disorders at the city hall climax by the dawn "double cross" kidnapping of 19 western sector police.

This coincided with an apparent Big Four deadlock over Soviet demands for veto power on currency control which stalled negotiations for settlement of the East-West conflict over blockaded Berlin.

(Secretary of State Marshall said in Washington that communist attacks on the Berlin city government were largely intended to upset the talks of the Allied military governments. He said such efforts must be firmly resisted.)

**U.S. Commandant Protested**  
Col. Frank Howley, the U.S. commandant who told newsmen earlier "we have now reached the pushing-off-the-shoulder stage in Berlin," made the protest to his Soviet counterpart, Maj. Gen. Alexander Kotikov.

He protested against the communist pressure tactics aimed at overthrowing the present elected city government, telling Kotikov "the blame rests on the Russians because the German police in the Soviet sector obey only Russian orders."

The 19 western sector police were trapped by German police in the Soviet sector after they had been given a safe-conduct guarantee from the City Hall by the Russians. A French officer conceded it was an outright "double cross."

Howley protested also against the arrest and barring from the City Hall of two American officers last night. Today there was no blockade of the City Hall and exit and entry was on a normal basis.

Howley told newsmen that the reply received from Kotikov "was satisfactory for the time being."

Howley reported to Gen. Lucius D. Clay, the American military governor, after his talk with the Soviet commandant. It was understood that protests may be made on a higher level directed at Marshal Vasily D. Sokolovsky, the Soviet military governor.

**Gain Little Headway**  
In London diplomatic informants said a progress report received by the British foreign office on the Berlin talks recorded little headway in efforts to resolve the crisis.

A foreign office spokesman said there would be a pause in the Berlin negotiations while the four home governments studied the report.

London diplomatic informants said that in the Moscow phase of the east-west talks agreement was reached in principle to set up a permanent four-power financial commission to supervise the Soviet east-mark in Berlin. The Berlin talks bogged down when Russia insisted upon to power of veto in the commission. The western powers want majority rule, the informants said.

## Senate Committee Uncovers Fraud In Foreign Trade

Washington, Sept. 8.—(P)—A Senate investigating committee uncovered today a story of widespread fraud in the shipment of goods overseas.

Harry H. Levey, New York exporter, testified he paid \$29,250 for 12 export licenses which a committee investigator identified as "forgeries."

Levey said he bought the licenses from John A. Quinn, president and manager of the Keystone Soap and Chemical Co. of Jersey City, N. J. He said other dealers were engaged in the same practice.

"Everybody was doing it," he said. "It was going on wholesale—and how!"

Levey appeared at a joint hearing of the Senate small business committee and the Senate subcommittee investigating administrative expenditures. He said his business is the Haro Products, Inc., New York City. Senator Ferguson (R-Mich.), committee chairman, called Quinn to the stand after Levey's testimony—but the youthful witness refused to answer questions on the grounds he might incriminate himself.

The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the official temperatures for Wednesday as follows: high 80; low 61; and at 7 p.m. 61.

Forecast for Illinois—Thursday: fair, cooler in Southeast.

**NEW PUSH-BUTTON MIRACLE**

A parking garage (not meter) operated with coins is the latest development in civilized progress.  
Conceived by William Zeckendorf of New York head of Webb & Knapp, it is designed to eliminate parking worries in the big cities. As yet only in the working model stage, it operates this way, as described by the New York Daily News:  
"When you drive your car into any one of several entrances, you would park in a standard-sized dolly or platform on wheels, and insert a coin as parking fee in one of thousands of slots. The operation would pre-select the parking booth into which the car was to be placed. A token would be ejected from the coin machine which the driver would take with him as his claim check.  
"The dolly and automobile would move automatically to an elevator which would take them to an upper floor. Here an overhead conveyor would lift the dolly and car over the tops of other parked cars and deposit them in their designated place.  
"Upon the driver's return and the insertion in a slot of his claim token, the process would be repeated in reverse."  
Engineering studies conducted by the company show that a garage of this type, 100 by 200 feet and ten stories high, could handle 3,940 cars daily. It would take five minutes to bring a car from the tenth floor.  
This is very wonderful, but all such things will be like egg crates if this country ever gets into an atom war, as it will unless our statesmen learn to yield more readily in their demands. They pretty well reflect human nature.  
What the world needs is some kind of button connected with the heart which when pressed will cause human beings to yield advantages and still be happy.

**Nursing League President Will Speak In City**

The regular meeting of Dist. Nine, Illinois State Nurses' Association, will be held Saturday, September 11, at the Dunlap Hotel. Meetings of the day are as follows:  
11:30 a. m. Executive board session.  
12:30 p. m. Luncheon. Make reservations with Miss Betty Hall, 341 E. Beecher, Jacksonville, by Sept. 7.  
1:30 p. m. Section meetings and programs. Private Duty section will have an important business meeting. A vote will be taken on "Personal Practices" for private duty nurses. Mrs. June Gibson, R.N. Jacksonville, will present a paper, "Histamine and Antihistamine."  
2:30 p. m. General business meeting.  
3:30 p. m. Program—Speaker: Miss Emily C. Cardew, president of the Illinois League of Nursing, Education and Educational Director of St. Luke's Hospital School of Nursing. Subject: "New Blue Prints in Nursing Education."

**Births**

Mr. and Mrs. Patrick Mahoney 804 North Main street, are parents of a daughter born Tuesday at 5:38 p. m. at Passavant hospital.  
A daughter was born to Mr. and Mrs. Earl Edwards, rural route four Winchester, Wednesday at 2:25 a. m. at Passavant hospital.  
Word has been received of the birth of a daughter Sept. 2 at St. Joseph's hospital in Elgin to Mr. and Mrs. Robert L. Proffitt of Elgin. The child is the great granddaughter of Mrs. Ollie Proffitt, 1605 Mound avenue, and Mrs. Lula Pierce of Winchester. Mr. Proffitt is a former resident of this city.

**Salem Lutheran Church And School**

Members of the Salem Lutheran church, which will celebrate its 90th anniversary Sunday, Sept. 12, are proud of their modern church building and parochial school. The church was dedicated in 1923 and the school was dedicated in 1938. Visiting clergymen will join Rev. H. H. Koppelman, pastor, in conducting anniversary services both morning and evening. The church is located at South East street and Beecher avenue, the school directly west of the church.

**90th Anniversary To Be Observed Sunday By Salem Lutherans**

Next Sunday, Sept. 12, has been set aside by Salem Lutheran church for the observance of its 90th anniversary. Three services of thanksgiving are planned for that day. The pastor, Rev. Herman H. Koppelman, will deliver the first sermon in the 9 o'clock service. At 11 o'clock the congregation will hear the Rev. Herbert W. Hallerberg of Clayton, a son of the congregation.  
The speaker of the evening will be the Rev. Paul F. Harre of Nashville, Ill., a grandson of the Rev. C. C. Metz, who was in charge of the congregation 80 years ago and under whom it joined the Lutheran Church-Missouri Synod.  
The organizers for these services will be Walter M. Deffner, Roy Lovekamp of Louisville, Ky., also a son of the congregation and Ruth Bentrup.  
Organized in Basement  
The church was organized on September 12, 1858, in the basement of the Christian church, then located on East Douglas Avenue. Pastor Theodore Krauss of the Evangelical church led the group for the first year. The only indication of the number of interested persons is a subscription list for the first church building, fourteen men pledged definite amounts.

**REV. H. H. KOPPELMANN**  
The congregation had difficult times during the first ten years, due to the Civil War and its immediate effects. Through the first ten years six pastors are known to have served the group. Besides pastor Krauss there is record of Rev. Ernie 1860, Valentine Klein 1861-62, F. C. M. Heinle 1864, Francis Lehmann 1865-66, Christopher C. Metz 1867-68.  
Through the remaining eighty years of its history the congregation has been served by five pastors. They are Jacob F. Bergen 1869-76; C. Edward Beck 1877-1904; H. H. Hallerberg 1904-09; J. G. Kuppier 1909-36 and the present pastor Herman H. Koppelman 1937 to the present time.  
Open School in 1859  
Salem Lutheran School was opened January 9, 1859, and thus is about ready to celebrate its 90th anniversary. Also during the first half of the school's existence it was almost continually in charge of pastors of the congregation. For short periods of time these men were recorded as teachers: H. Burfield 1867-70; Hugh F. W. Knaack 1871-74, and Theo. Wallis 1877-79.  
With the arrival of Pastor Maller-

The first church home of the congregation was built on East College Avenue north of the present school building. This building served as church from 1864 to '77 but continued to serve as school until 1938 when the present school building was dedicated. The second church had been the third ward school building. With its wing this building served for both church and parsonage until 1923 when the present church was dedicated. This year marks the 25th anniversary of that event.  
The church has served the City of Jacksonville through a deep interest in its various institutions. Work is known to have been done among the pupils of the School for the Blind since at least 1890. At various times pupils of that school also presented voice and instrumental recitals in the church or school building. At the present time the congregation is chartering a city bus regularly to bring a large group of these children to its Sunday school and church services.  
When the Lutheran church began work among the deaf in Jacksonville in 1901 the congregation also offered its full facilities to the missionary in charge. Since about 1910 pastors of the church have also been serving patients at the Jacksonville State Hospital. This work has grown to such an extent that the work has been turned over to the Rev. E. F. Tonn of Pleasant Plains who makes regular visits there. Of late years particularly a great interest has been taken in students at the local colleges. An active student group has been functioning each week for some years. A student choir has rendered excellent services to the congregation.

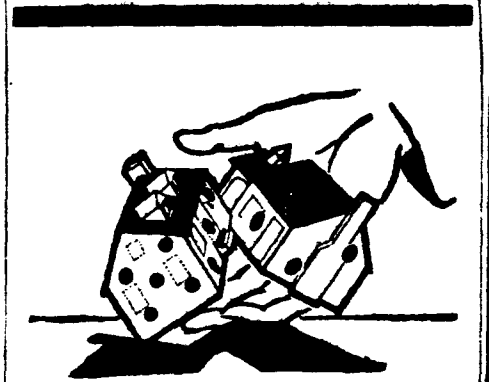

berg it was felt that the school needed the services of regularly trained teachers. While up to that time the school had been largely conducted in German, since 1904 English has been the school's language. Teachers who have served were Karl J. Bruening 1905-12, W. F. Bertram 1913-14, H. F. Sonntag 1915-16, E. Magdanz 1917-19, Herbert Sells 1919-20, Pauline Horner 1921, Ada Scheele 1922 and O. A. Schuette 1923-45. In 1944 a second room was added to the school with Pauline Wulf as teacher. She was succeeded in 1946 by Laura Schumacher of Chapin. The present staff is made up of Walter M. Deffner, principal, and Miss Ruth Bentrup, primary teacher.  
Women's Groups Active  
The congregation is also assisted in its work by a number of societies. The Ladies Aid since 1919, the Lutheran Ladies Guild since 1914, Walther League societies for young people since 1924, the Men's Club affiliated with the Lutheran Laymen's League since 1928 and the Married Peoples Club since 1945.  
A Sunday School has been in operation since 1909. Classes have been added and enlarged so that at the present time all age groups are provided for. Wm. E. Sheeley is Superintendent and Mrs. Pauline Tomhave, assistant superintendent.  
Since the church has practically doubled its size since the dedication of the present church, attention is being given to the possibilities of enlarging the physical plant. The anniversary offerings will also be specially directed to this end.  
Officers of the congregation at its 90th anniversary are members of the church council: Paul Davidmeyer, J. A. Long, W. Carl Brune, John Schulz, Earl Tomhave, O. A. Schuette, Harold Perbix, Henry Kominick, W. C. Brune and Walter Wessler.  
Members of the Board of Education are Elmer Roegge, Harold Tomhave, M. J. W. Riggs, Clarence Schewe, Walter Deffner and Wm. E. Sheeley.  
The trustees are J. A. Long, Floyd Ehler and Leland Perbix.

## Performs great...

To keep your car going great... make a date to OIL-PLATE with Conoco N<sup>th</sup> Motor Oil! A special, added ingredient in N<sup>th</sup> oil (Patented) fastens extra lubricant magnet-like to your engine's working parts. So strongly is this extra film attached to cylinder walls, it won't all drain down, even overnight!

That means your engine's fine-finished metal surfaces are extra-protected from corrosive combustion acids... from destructive "dry" friction starts. You're extra-protected, too, from power-clogging sludge and carbon.

For great performance, full-time protection, more miles per quart, make a date for...

## THE JACKSONVILLE STUDENT HEALTH

Committee appeals to the citizens of Jacksonville and South Jacksonville for cash donations to protect the health of our community.

\$5,000 has been established as the amount necessary to provide aid to students during the coming school year and the years in the future. This sum must be raised by donations from civic-minded individuals and organizations.

### THE PURPOSE:

The purpose of the fund is to make loans without interest to the parents of school children of the Jacksonville area for needed hospital, medical, and dental care.

### THE PLAN:

Applications for funds may be secured from principals of all local grade and high schools. The petitions will be filled out, signed by the family doctor, and then submitted to an impartial credit committee for approval.

The Health Committee is comprised of interested persons who have observed that many students are not receiving proper medical attention. They point out that a fund of this kind will help provide aid for our children by LENDING parents necessary funds for remedial work.

Loans are made without interest and the only security the borrower needs is his promise to repay the loan within a maximum of two years.

### THE OBJECTIVE:

The Student Health Fund is to increase the remedial care of Jacksonville students. Health certificates will be awarded to each child who has defects corrected through this plan. PROTECT THE FUTURE OF OUR COMMUNITY—HELP PROVIDE FOR THE HEALTH OF OUR CHILDREN NOW!!!

## Morgan's Share Of Motor Fuel Tax Is \$7,229

Morgan county received credit for \$7,229 in motor fuel taxes for August, according to announcement Wednesday by the Illinois department of finance. The amount will be added to other funds which have been allotted to Morgan county for highway improvements.

Allotments to other west central Illinois counties last month were Cass, \$3,603; Greene, \$4,095; Scott, \$1,671.

All counties received a total of \$1,439,434 in allotments as their share of motor fuel tax collections. The gross allotment was \$1,564,017 from which was deducted \$124,583 as reserve for the \$30,000,000 emergency relief bond issue.

## To Mark Golden Wedding Date

MR. AND MRS. EDGAR WARCUP

Fifty years of wedded life will be observed Sunday, Sept. 12, by Mr. and Mrs. Edgar Warcup, 701 North Clay avenue.

In observance of the occasion, Mr. and Mrs. Warcup will hold open house during the afternoon at the home of their son-in-law and daughter, Mr. and Mrs. Kenneth Walker, 624 North East street. Friends and relatives are invited to call.

Mr. and Mrs. Warcup were married in Murrayville on Sept. 7,

1898, at the home of Mrs. Warcup's parents, Mr. and Mrs. Presley Briesendine. The greater part of their marriage life has been spent in Morgan county.

They are the parents of eight children. Six of their children are still living: Clyde of Bloomington; Donald of North Carolina; and Wayne, Mrs. Opal Moore, Mrs. Gladys White, and Mrs. Kenneth Walker, all of this city. There are also 19 grandchildren and one great grandchild.

## To Hold Service For Fire Victim

Jerseyville—Funeral services for Mrs. Gertrude E. Benke, widow of

the late Ernest Benke, will be held Thursday afternoon at two o'clock from the Gubser Funeral Home, Rev. Dale Harmon, pastor of the Jerseyville Methodist church, will officiate, and the interment will be at the American Legion cemetery.

Mrs. Benke lost her life about 9:30 a.m. Tuesday while burning trash in a vacant lot near her home on East Prairie street. Her clothing ignited and she collapsed in the fire and died before help could reach her.

She is survived by one son, Clarence Benke of Alton and three grandchildren. She is also survived by one brother, Lawrence Allen of Grafton and two sisters, Mrs. Clarence Noble of Grafton and Mrs. Lena Wallace of Jerseyville.

We will be closed Thurs. from 12 noon till 5 P. M. to attend funeral.

## Two Districts Become Part Of Consolidation

Petitions from Pleasant Hill school district No. 42 and Apple Creek district No. 46, asking for permission to join the Murrayville community consolidated district No. 45, were granted Tuesday by County Supt. John C. Deem.

This action now makes the boundary lines of the Murrayville elementary school district and high school district identical. The new district becomes effective at once.

Children from the former Pleasant Hill and Apple Creek districts are now being transported by bus to the Murrayville grade school.

The addition of this territory resulted in the addition of another teacher, Mrs. Irene Dowland of Scottville, to the faculty of the Murrayville grade school.

## Bernice Hines, John Sheppard Exchange Vows

Miss Bernice Hines, daughter of Mr. and Mrs. L. Joseph Hines, 613 South Diamond street, and John C. Sheppard, son of Calvin Sheppard of Springfield, were united in marriage in a double-ring wedding ceremony performed Saturday at 9 a. m. by the Rev. Father John I. Morris in the Church of Our Saviour.

Mr. and Mrs. John C. Sheppard

The bride was given in marriage by her father. Her gown was of white satin, fashioned with a fitted bodice, featuring a lace yoke which lent an off-shoulder effect to the neckline, long sleeves tapering to the wrists.

Attending the couple were Miss Marjorie Hines sister of the bride, as maid of honor, and Fenton Drake of Springfield as best man. Margaret Ann Sheppard, sister of the bridegroom, was flower girl. The ushers were Richard Lane and Jerry Ryan.

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Penn-

St. Louis, Sept. 8.—(P)—Johnny Schmitz limited the St. Louis Cardinals to two hits as the Chicago Cubs beat the Redbirds 4 to 2 before 10,546 fans tonight. It was the Cardinals' fourth consecutive loss and further darkened what pennant hopes St. Louis had left.

## Carrollton Team Readies For '48 Grid Schedule

White Hall—Coach Clarence "Buz" Bradley, new coach at Carrollton high, has announced his 1948 football chart. His eleven open the season at White Hall Sept. 17 in a non conference game under the lights.

Six lettermen are back for the county seat team and Co-Captains Gabe Staples and Bill Boe head the list.

Carrollton is the smallest school in the Ivy conference but, nevertheless, it has a fine football record with a title in 1934 and a share in 1938 and 1939. The Hawks won over Roodhouse in 1941, the season the Railroaders were co-champs.

Coach Bradley is starting his first season at Carrollton, as he graduated at Carthage College in 1948. He has 30 men out for practice at Carrollton with Linn, Scroggins, Ballard and several reserves from last season in addition to the co-captains. Illinois School for the Deaf is the new team on the Carrollton schedule. The Tigers play at Carrollton Sept. 24.

Schedule for the Carrollton Hawks:  
Sept. 17—At White Hall (night)  
Sept. 24—ISD (night)  
Oct. 1—At Jerseyville (night)\*

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 8.—(P)—Prices on live hogs were steady to 25 cents a hundred pounds lower today but with heifers on the low side cattle varied from 50 cents lower to 50 cents higher and sheep were steady to 50 cents up.

Most good and choice barrows and gilts brought \$24.50 to \$29.25 and a top price of \$29.50. Sows made mostly \$23.50 to \$28.00.

High-choice cattle again topped at \$41.50, matching the alltime record, while the best price on choice heifers was \$37.50. Most good to average-choice steers ranged from \$33.00 to \$40.50 and medium and good heifers from \$25.00 to \$35.00. Good beef cows had \$22.50 to \$24.00, medium to good bulls \$22.00 to \$24.50, good fat beef bulls up to \$25.00, and good and choice vealers \$27.50 to \$30.00. Choice steer feeder calves fetched \$29.00.

A few top-good to choice spring lambs sold as high as \$26.25 but the practical top went to most good and choice native springers at \$26.00. Good and choice yearling ewes brought \$24.00. While choice ewes were quoted at \$12.00 to \$12.50, the available supply graded common to good at \$10.00 to \$11.50.

Total receipts included 10,000 hogs, 8,000 cattle, 500 calves, and 4,000 sheep.

## New York Stock Market

New York, Sept. 8.—(P)—Stock prices drifted lower today in an unenthusiastic market.

The downward trend was persistent except for a brief period during mid-day when quotations leveled off.

Steels and motors headed the procession down today as they did yesterday. Rails followed.

For the most part losses were confined to fractions to a note that a point, but in some cases the mark-downs ran to around 3 points.

During the earlier part of the day volume expanded to a pace exceeding yesterday, but trading did not continue in that fashion. There were quite evident pauses on the ticker tape between transactions with the rate of business at 900,000 shares falling behind Tuesday, but volume increased near the close.

That performance bore out brokers who have been contending that activity of late has been rising on the upside but fading away as prices drop indicating a strong position of the list as a whole.

Among stocks going lower were U. S. Steel, Chrysler, General Motors and Youngstown Sheet & Tube.

A very few utilities countered the downward trend and edged up. Among them were Consolidated Edison and Consolidated Natural Gas.

Bonds were easier in quiet trading.

## SEPTEMBER CORN IS GRAIN MART'S CHIEF INTEREST; WHEAT UP

Chicago, Sept. 8.—(P)—With the government asking for offers of flour from mills, wheat prices worked higher on the Board of Trade today. Some buying came from mills in anticipation of flour sales to the Production and Marketing Administration.

September corn jumped around erratically, providing most of the market's interest. It had a gain of more than 3 cents at one time, but this was partly lost in late trade. Firmness of September reflected an advance in cash prices. No. 1 yellow corn was selling as high as \$2.06.

Action of the September delivery had no influence on the new crop months. They dropped around 2 cents at one time. Some buying of September was made against sales of the deferred contracts. In addition, widespread midwestern rains were considered beneficial for the new crop.

Offerings of corn by the country were fairly heavy, which was not surprising in view of high bids in relation to the September futures price. Purchases on a to-arrive basis were in excess of 150,000 bushels.

Receipts were: wheat 1 car, corn 7, 101, oats 12 and soybeans 2.

Wheat closed 8-13 higher, September \$2.22, corn 18 1/2 lower to 1 cent higher, September \$1.69-1.68, oats were 1/2 lower to 1/2 higher, September 72-72, rye was unchanged to 1/2 lower, December \$1.54, and soybeans were 1/2 higher, November \$2.49.

## Kirkwood Here Today

Joe Kirkwood, regarded as one of the nation's leading golfers and exponents of trick shots, appears at the Jacksonville Country club this afternoon.

Kirkwood is scheduled to team with Pro Bob Munk in an 18-hole exhibition match against two top-ranking amateurs, Jim Buckley and Willie Barber, at 3 o'clock. His trick shot exhibition will begin at 6:30.

The public is invited to witness the exhibitions at a nominal admission price.

## Bosox Stretch Lead Over Yanks With 19 To 6 Win

Boston, Sept. 8.—(P)—Undaunted when the Yankees scored four times in the opening inning, Boston's American League leading Red Sox bounced back with five runs of their own in that same session and went on to beat the second place New York Yankees 19-6 tonight before 33,775 paid fans.

The victory stretched the Sox' advantage over the runnerup Bronx Bombers to two and a half games. New York ... 400 001 100—6 12 0

## Athletics Nip Rally To Win

Washington, Sept. 8.—(P)—A leapfrog stab of Mickey Vernon's line which First Baseman Ferris Fair converted into a game-ending double-play preserved a 10-7 victory for the Philadelphia Athletics here tonight. The Senators had poured four runs across the plate in the ninth and had the bases loaded when Fair made his catch.

## Error Gives Indians Win

Cleveland, Sept. 8.—(P)—An infield error with the bases filled enabled the Cleveland Indians to edge the Detroit Tigers 8-7 in the eleventh inning tonight before a crowd of 43,707. Bom Lemon, who was trying for his 20th win for the Tribe, lasted only seven innings and gave eight of the 12 walks that kept the Tigers in the ball game. Sam Zoldak was the winning pitcher.

## Merchants-Legion Play Crucial Tilt At Park Tonight

The Jacksonville Merchants softball team has only one chance of winning the Jacksonville Recreation club's 1948 AA league crown. That is to beat the American Legion nine tonight at Nichols Park diamond, then to lick the Legionaires again in a playoff.

The crucial loop tilt, originally scheduled for the opener last night, has been rescheduled for this evening at 8:15 p. m. (D. S. T.). Wednesday's doubleheader program was washed out.

A recheck of the standings, requested by Legion Manager Leo Shay, revealed an error in the favor of the Merchants. Manager Hannable Dixon's outfit has won only six of nine games, not seven as originally announced, and is one game down going into the final league contest of the season.

The Merchants, with their 6-3 record, must win tonight to tie the defending champions, who have won seven out of nine.

All other league action has been completed at Nichols Park diamond and the campaign will soon be closed.

The Jacksonville Moose have won the A loop title with an unblemished record.

## Fifteen Lettermen In Pittsfield Squad Set To Oppose Crimson

Pittsfield—(Special)—Coaches Glen Smith of Pittsfield and Bob Kraushaar of Jacksonville have entirely different situations with which to cope during the 1948 football campaigns of their respective schools but they have one thing in common—they both feel their opening contest is coming too soon.

The Saukees entertain the JHS Crimson here Friday night at 8 p. m. in a contest which will lift the lid for both outfits.

Smith will go into the fray with 15 lettermen from last year's outfit available. Kraushaar will have only Stan Spotts and Bob Fanning from last season's organization.

**Lay Plans**  
Smith's 1948 job apparently will be to attempt to mold another Illinois Valley conference championship aggregation. Although he has many lettermen, he feels the team needs considerable game experience. Kraushaar, evidently is headed for a building year, with the expressed desire to improve on the Crimson's 1947 record at the same time.

Although the Jacksonville contest has no bearing in the Ivy loop (the Crimson are members of the Central Conference), it is a tilt which the Indians are always anxious to win. The Saukees will be out for their second consecutive win, having knocked off the Kraushaars in Jacksonville last year, 19-0.

On the basis of experience, the Pittsfield eleven is a top-heavy favorite to repulse the invasion of the Crimson-tide come Friday night. Coach Smith sin't throwing cold water on those predictions, either. He admits, as coaches hate to do, that prospects for the 1948 campaign are "fairly good."

**Heavy Line**  
Pittsfield will field a heavy line, composed of players who have had considerable experience. The backfield, too, will have considerable weight. Smith feels his runners might be a bit slower than he desires. And, he freely informs that, although they're lettermen, they don't have the game experience under their belts that they should.

Practice has been carried on daily by a 63-man squad since the opening of rehearsals on August 5. There's one bit of good news for the JHS rooters. Bob Robinson, the halfback who ran wild at Jacksonville in the opener last year, has graduated. Gone, too, are the three other starting members of the 1947 backfield—Don Robinson, Bruce Peebles and Don Ator. Two regular linemen have also departed. They are tackle and Captain Clarence Richards and Charles Wyatt, a valuable guard. Six other lettermen are also gone.

**Brighter Side**  
On the other side of the ledger, here's a thumbnail sketch of the new Pittsfield team.

Ends—Bob Voshall and Richard Zimmerman tagged as likely starters. John Evriss, another letterman, also available. Fourth, 1947 end, Lacey, gone.

Tackles—Beard, who lettered at end in '47, and Henry, 1947 starter, marked for assignments against Jacksonville.

Guards—Buddy Johnson, 1947 starter, Stuart Peebles, 1947 center and a good linebacker, and Gene

Rhodes, another veteran, battling for the two spots.

Center—Bob Dell fairly well established with possible help from Peebles.

Quarterback—Bob Niebur and Bob Sidwell both available. The pair were subs for Don Ator last time out. Other Backs

Halfbacks—Owen Chaplin, letterman, and Bob Kattelman, four-year letterman who missed last two games in 1947 because of an injury, mentioned as starters.

Fullback—Tip Colver, 1947 tackle, moved into backfield and tabbed as starting choice.

Vernon Johnson, another veteran, has come up with a case of poison oak and probably will not perform in the first tilt.
